

COPYRIGHT NOTICE, DISCLAIMER AND TERMS & CONDITIONS OF USE

1. MODELLING ASSUMPTIONS

The intellectual property on this website, including, inter alia the information and formulae used in each spreadsheet ("the copyrighted material") is based on careful modeling. While every care has been taken to ensure the accuracy of the models, it is still possible that errors did occur. Users are therefore advised to verify results against other sources and methods of calculation. Users should also note that modeling outcomes depend on a large number of assumptions and specific scenarios and circumstances; and the results are therefore subject to these assumptions, scenarios and circumstances. In all respects, the copyrighted material should not be used as a substitute for professional judgment by the User.

2. NOT INVESTMENT ADVICE

The copyrighted material is to be used as a reference for educational and academic research only, and is not intended to provide any investment, financial product, legal or taxation advice; nor has it been prepared with reference to the investment objectives, financial situation or particular needs of the author or any other specific individual or class of persons. Additionally, the copyright material shall not be used or considered as an offer to sell or solicitation of an offer to buy securities or other financial instruments, or any advice or recommendation with respect to such securities or other financial instruments.

3. SUBJECT TO TERMS & CONDITIONS

By using the copyrighted material, you are acknowledging that you have read and accepted these terms and conditions of use.

4. SUBJECT TO COPYRIGHT LAWS

The copyrighted material is protected by copyright laws and all rights are reserved by the author and his licensors. You are licensed to use this copyrighted material on a single computer; copying or transferring the copyrighted material to another medium or format constitutes a violation of this agreement.

5. PERSONAL USE ONLY

The copyrighted material is provided freely for your own personal use only and cannot be sold, transferred or sub-licensed to any third party, whether or not you have obtained any commercial benefit from the transfer or sub-license.

Continued > 5. PERSONAL USE ONLY

You may not use the copyrighted material for commercial purposes, such as, but not limited to, the transmission or distribution of this copyrighted material on a paid service. You must obtain the consent of the author for all other use of this copyrighted material. Copying the copyrighted material for any other purpose is a violation of this agreement.

6. FOR TEACHING PURPOSES

Tutors may use any part of this copyrighted material for educational purposes, and may provide copies of this copyrighted material to their students. However you shall not remove or modify any copyright notices, disclaimers, author attribution or proprietary notices found within this copyrighted material; and any modifications must be documented accurately within the copyrighted material and should include the name of the person who made such modifications.

7. NO WARRANTY

This copyrighted material is provided "as is" without warranty of any kind, either expressed or implied, including but not limited to the implied warranty of merchantability and fitness for a particular purpose. To the maximum extent permitted by applicable law, neither the author nor his licensors assumes any liability for any alleged or actual damages, cost and expense incurred from the use of or the inability to use this copyrighted material. The material has been compiled using reasonable care and skill. However, the author and his distributor will not guarantee the accuracy for the material and accept no responsibility for any error, omission, misrepresentation, copyrighted material bugs, viruses and interruptions arising from the use of the copyrighted material.

8. INTERNET CHARGES & PAID SERVICES

The author is not responsible for any charges associated with accessing this copyrighted material, including but not limited to, phone lines and internet charges. Further, the author does not warrant access to the internet or to any other service or content or data though the copyrighted material or continued access to any version of the copyrighted material.
